

# HEDGEWOOD SCHOOL SPORTS PREMIUM 2015 - 2016

**Sport Sports Premium in addition to funding for P.E aspect of curriculum.  
(Sports Premium Funding Allocated = £8,617 )**

AIM	ACHIEVED BY	FUNDING	IMPACT	EVIDENCE	REVIEW
Provide professional development for staff in school	Specialist teacher & Key staff.	£875	Reflection of training proved positive and some new equipment purchased to support teaching and learning.  Equipment and taught practices are being used with pupils in the classes – enhancing their participation in PE	There has been introduced more specific dance CPD into the P.E curriculum. Mrs Cornish has continued her outstanding work whilst our dance specialist inspired our pupils.	Feedback and impact from the previous year's cycle of Mrs Cornish's CPD was excellent. Further Professional development for PE teacher. Further investment in Hedgewood P.E resources.
To improve physical fitness for all students.	-Gymnastics Lessons -External Specialist Sport coaches to deliver specialist sessions.	£6,621	Pupil enthusiasm for a range of physical activities has increased, fears and anxieties have been overcome, children have been more active, it has assisted their social communication and interaction skills and it has enabled parents and families to use the leisure centre at weekends and holidays as our pupils are confident in that setting.	Broadening the variety of sporting activities our pupils have accessed has positively impacted on their progress in P.E and given weekly opportunities for pupils to develop their awareness of safety in the community.	Further investment in range of physical activities and specialist coaches.
To improve Hedgewood P.E hall environment.	Investment of air conditioning in the hall.	£1000	The investment of air conditioning in the sports hall has impacted positively of the health and wellbeing of pupils during their P.E sessions.	Through Enhancing the P. E resources available to our pupils will improve the quality of the P.E.	Continuous improvement of P.E equipment and hall continued to be maintained by premises manager.
To give physical activity access to students who need physical breaks during the day in order to address their sensory proprioception.	Enhance equipment in the therapy room and gross motor opportunities outside and in P.E.	£500	Increased use of the sensory toys both in the therapy room, sensory room and classrooms.	By enhancing the resources available to our pupils will improve the quality of the P.E and motor movement across school.	Continuous improvement of gross motor opportunities outside and in P.E.

To deliver Yoga sessions	Employment of Yoga teacher	£200	Yoga teacher employed for 2 hours weekly.  Yoga presentation given at the civic centre.	Quality of pupils balance and gross motor skills have been seen to increase during and after input.	Further bookings to be conformed next academic year.
To enhance playtime activity	Bikes for Bike track Picture boards for activity guidance  Trampolines in Playground.	£ 900	Children accessing bikes building gross motor skills. Adults supporting children to try out new activities. Children in courtyard are more physically active	We know that the enthusiasm for a range of physical activities has increased more pupils using bikes and trampolines.	Continue to enhance playtime provision building gross motor skills.
