

Message from the Co-Heads

Exciting news! We've enhanced our absence reporting system to make it more convenient for you. You are now able to message our Attendance Officer directly on Seesaw. Reporting your child's absence is as easy as replying privately to the announcement made earlier this week. To ensure a smooth process, please send a message **before 9am** on each day of absence. Don't worry, you can still use ParentMail and the phone for reporting. This improvement aims to streamline communication, making it simpler for you to keep us informed. Thank you for your cooperation in ensuring the well-being of our pupils.

This Week

As we transition into the winter season, we're thrilled to embrace the unique experiences and opportunities it brings to our school community. The colder weather sets the stage for a variety of seasonal activities and educational explorations. Ensuring the safety of our students during this time is paramount. Our dedicated staff is actively implementing additional precautions to secure the playgrounds against potential winter-related risks. As temperatures drop, appropriate winter attire, including hats and gloves, becomes crucial in ensuring a safe and enjoyable experience. Let's make this winter season an educational adventure filled with valuable insights and memorable moments for our pupils.

Parents Evening

We are thrilled to share the success of our recent Parents' Evening. It was an invaluable opportunity for teachers and parents to connect, discuss, and celebrate your child's progress. Sharing insights into your child's achievements and setting the stage for future growth is a crucial aspect of our partnership. A heartfelt thank you to all the parents who took the time to participate in these important discussions, we deeply appreciate your ongoing support.
