This Week

We are delighted to share that the children have been working tirelessly, practicing diligently for a spectacular performance. Their commitment and enthusiasm have truly made us proud. Recognising that some pupils may find the experience overwhelming, we want to assure you that we are providing additional opportunities for practice both in the hall and in the classroom. Our dedicated team is closely monitoring each child's progress, and if we believe any student may find the performance challenging, we will communicate individually with parents. Our goal is to ensure that every child shines bright on that stage!
