

Message from the Designated Safeguarding lead

We have a range of extended school clubs at Hedgewood School and are excited to announce that after the half-term break, we will be doing some after school extra curricular activities that your child can enjoy! We also have Saturday Clubs and are busy planning our Easter Holiday Club, so look out for announcements on Seesaw from Family Services and booking forms will be made available on Parentmail.

HEDGEWOOD
SCHOOL

This Week

What an incredible week it has been! With a keen focus on environmental consciousness, our students delved into the importance of recycling and waste reduction. It's inspiring to witness their dedication to creating a greener school. Pupils enthusiastically participated in designing posters, pledging their commitment to sustainability. These colourful and creative expressions showcase the genuine passion our students have for making a positive impact on the environment. As a community, we celebrate their efforts in fostering awareness and action. Let's continue working together to instill these eco-friendly values in our daily lives. Here's to a wonderful week of learning, growing, and building a more sustainable future!

Reading Books

We are thrilled to witness the enthusiasm with which our students are embracing their homework reading assignments! However, we kindly request your assistance in ensuring reading books can continue to be shared with others. Once your child has finished their reading assignment, we kindly ask that you return the books to school. By doing so, you enable us to replenish our book collections, ensuring a diverse array of reading materials for all students. Your support in fostering a love for reading is invaluable. Thank you for your cooperation!

Class of the Week

Sparrow Class!

For their improved transitions to Botwell for
Swimming!

Thank You!

We extend our heartfelt gratitude to Shelby, one of our parents, for her generous donation of a new SEN buggy. Shelby's kindness has provided our school with a valuable resource that will undoubtedly make a positive impact. This new addition will be put to excellent use, enhancing the support and care we provide to our pupils. We are immensely grateful for Shelby's thoughtful contribution!

Reading Club

We're thrilled to share the fantastic success of our Reading Lunch Club! Children have been relishing the opportunity to visit the library during lunchtime, immersing themselves in books, listening to captivating stories, and engaging in imaginative role play. The enthusiasm from our young readers has been contagious, with eager faces returning each week for more literary adventures. It's heartening to witness their joy and passion for reading flourish in this engaging and supportive environment. A big thank you to all involved in making our Reading Lunch Club a resounding success! We look forward to many more inspiring reading sessions ahead.
