

## COVID 19 Update January 2021

The Covid 19 pandemic continues unabated and whilst we are following the strictest possible mitigation measures within the school, we are aware that immunity is not guaranteed. The new strain of Covid 19 is having an increased impact for everyone both within and outside our school community.

We continue to act immediately when it is necessary to close and self – isolate a class bubble due to a positive test return, and will continue to inform all the families affected at the soonest opportunity.
